

## **EPISTAXIS ALGORITHM COPYRIGHT NOTICE**

Washington University grants permission to use and reproduce the *Epistaxis Algorithm* as it appears in the PDF available here without modification or editing of any kind solely for end user use in investigating rhinosinusitis in clinical care or research (the "Purpose"). For the avoidance of doubt, the Purpose does not include the (i) sale, distribution or transfer of the *Epistaxis Algorithm* or copies thereof for any consideration or commercial value; (ii) the creation of any derivative works, including translations; and/or (iii) use of the *Epistaxis Algorithm* as a marketing tool for the sale of any drug. All copies of the *Epistaxis Algorithm* shall include the following notice: "All rights reserved. Copyright. Washington University in St. Louis, Missouri." Please contact Jay Piccirillo (314-362-8641) for use of the *Epistaxis Algorithm* for any other intended purpose.
